

Appendix 3 EBCL Proposed List of A1 Characters (320)

General notes to the threshold character list for A1:

1. This threshold is proposed for the Written Production activities. It is a prerequisite for the accomplishment of language tasks. This does not exclude the possibility that, in any texts, there can be characters outside the threshold list. 2. This is an open list, consisting of 250 essential characters and 70 recommended ones. The number of characters for the Written Reception activities for A1 can reach up to 400.
